ARCHITECTURE WORKSHOP SUMMER 2013

JULY 28- AUGUST 16

BRIDGING PRAGUE

Participants will propose architecture and planning urban interventions onto the iconic Vltava riverbank, one of the richest historic architectural environments in Central Europe. Through analysis of context, students will propose an appropriate contemporary intervention(s) responding to scale, massing, materials and the cultural context of Prague. The workshop will be led by respected architects, planners and historians and participants will also study other iconic urban, architectural and historic sites in Prague.

WORKSHOP OBJECTIVES:

- to **encourage critical analysis** of traditional European urbanism and architecture
- to **work in a multi-disciplinary context** to encourage a holistic approach to urbanism
- to **provide “real world” solutions**, with an eye to the long-term planning goals for the city

1120 EUR/1500 USD (including accommodation)
800 EUR/1100 USD (without accommodation)

- 230 EUR/300 USD Non-refundable Application fee
